THE CONVENTION AND ITS PRES-

So much depends upon the characof action are then absolutely essential ter of the presiding officer of a legislative assembly, that the greatest care ought to be exercised in his selection. Especially is this true of the Convenion that is now so soon to meet. Its President ought to be a man whose talents and whose moral worth already made known in the service of the State will command the respect and confidence not only of the members of the Convention but of the people everywhere. Nor are talents and moral worth the only requisites for a presiling officer. Familiarity with parliamentary proceedings and a knowledge of the principles of parliamentary law are also essentially necessary. Fortunately for the State, the Democratic party has many delegates who possess in an eminent degree, every qualification pecessary for a presiding officer. A Convention, that numbers among fications and election of its members. whites may talk of breaking down that ed a resort to the courts. Crosby left as L. tions of policy within our party lines in such manner as to furnish the encmy amnunition to fight us with.

3d. Small white constituencies blessed with white representation and white rule, owe something to large representation and negro rule.

The first lesson is a plain one. In Sampson county, if we are correctly informed, instead of confining the campaign to legitimate Convention issues, the Temperonly thirty-five majority, a county that had nothing upon earth to do with any Convention issue, and we lost a county that last year we carried by commission. more than two hundred majority. In Johnston the removal the county seat from its present

Democratic paper announced that its he had not determined whether he that we had thought as true to Democions in our own ranks covered us with shame and defeat. What party can afford to lose fourteen of its majority upon side issues without endangering its success? Certainly the Democratic party in North Carolina cannot. Wayne, Johnston, Meckler burg and Gaston would have given us a very handsome majority. Discipline and organization and harmonious concert

2d. The second lesson is writ upon the record. Every Radical sheet in the that the Chicago Times was taking the State published and re-published, and if we mistake not, kept standing in its columns, the letters of certain prominent Democrats and editorials of certain Democratic papers not yet a year old, denouncing the Convention in the severest terms. And we donot if there was one Democratic candidate taken was made by the staff correswho was not fought with this Demo- pondent of the Constitution, then and cratic ammunition. Can there be any doubt, after this experience, that in the discussion of questions of party night. The reason of the delay was policy inside of party lines, there ought to be more prudence of speech; 3d. Nor is the third lesson less jority. These three counties all en-
